

CA Final Audit Index (IBS)

Content Master (Volume 1)

No.	ABC	Chapter Name	Standards (SA)	Standards	Pages
1	A	Quality Control	SQC-1, SA 220	2 Standards	1.1 – 1.10
2	B	Auditing Principles	200, 210, 230, 240, 250, 260, 299, 402	8 Standards	2.1 – 2.22
3	B	Audit Planning	300, 600, 610, 620, 540, 520, 450	7 Standards	3.1 – 3.21
4	B	Risk & Control	320, 315, 330, 265	4 Standards	4.1 – 4.22
5	C	Audit Evidence	500, 501, 505, 510, 530, 550	6 Standards	5.1 – 5.12
6	C	Completion & Review	560, 570, 580	3 Standards	6.1 – 6.10
7A	A	Audit Report	700, 701, 705, 706, 710, 720	6 Standards	7A.1 – 7A.27
7B	A	CARO, 2020	CARO	-	7B.1 – 7B.10
8	A	Specialised Areas	800, 805, 810	3 Standards	8.1 – 8.13
9	A	Related Services	4400, 4410	2 Standards	9.1 – 9.7
10	A	Review	2400, 2410	2 Standards	10.1 – 10.21
11	A	Assurance	3400, 3402, 3420	3 Standards	11.1 – 11.15

Content Master (Volume 2)

No.	ABC	Chapter Name	Full Name of the Chapter	Marks	Pages
12	A	Digital Audit	Digital Auditing & Assurance	4 – 7	12.1 – 12.20
13	C	Group Audit	Group Audits	20 – 29	13.1 – 13.12
14A	B	Bank Audit	Special Features of Audit of Banks		14A.1 – 14A.29
14B	B	NBFC Audit	Special Features of Audit of NBFCs		14B.1 – 14B.13
15	B	PSU Audit	Audit of Public Sector Undertakings		15.1 – 15.13
16	C	Internal Audit	Internal Audit		16.1 – 16.12
17	C	DDI & Forensics	Due Diligence, Investigation & Forensics		17.1 – 17.29
18	A	ESG Assurance	Environment, Social And Governance	4 – 7	18.1 – 18.11
19	A	Professional Ethics	Professional Ethics, Liabilities of Auditor	20 – 29	19.1 – 19.53

Chapter 1: Quality Control

Page No.	Chapter 1: Quality Control — Index	Page No.
1.3	Acceptance & Continuance of Client Relationships – SQC 1	1.3
1.7	Acceptance & Continuance of Client Relationships – SA 220	1.7
1.3	Annual Independence Confirmation	1.3
1.8	Assignment of Engagement Team	1.8
1.1	Audit Quality	1.1
1.3	Client – Integrity of Client	1.3

Page No.	Chapter 1: Quality Control — Index	Page No.
1.3	Competence, Capabilities, Time & Resources of Firm	1.3
1.3	Conflict of Interest – Firm and Client	1.3
1.4, 1.8	Consultation – Difficult or Contentious Matters	1.4, 1.8
1.4	Continuance of Engagement – New Information	1.4
1.5, 1.9	Difference of Opinion	1.5, 1.9
1.6	Documentation – Engagement, Engagement Partner, EQCR Reviewer, Property of Firm	1.6
1.6	Engagement Documentation – Assembly within 60 Days, Custody, Retention Period	1.6
1.7–1.9	Engagement Partner – Responsibilities	1.7–1.9
1.8	Engagement Performance – SA 220	1.8
1.4–1.6	Engagement Performance – SQC 1	1.4–1.6
1.5	Engagement Quality Control Review (EQCR) – Meaning , Applicability	1.5
1.8–1.9	Engagement Quality Control Review – SA 220	1.8–1.9
1.9	EQC Reviewer – Additional Responsibilities for Listed Entities	1.9
1.5	EQC Reviewer – Eligibility, Objectivity	1.5
1.7	Ethical Requirements – SA 220	1.7
1.2–1.3	Ethical Requirements – SQC 1	1.2–1.3
1.4	External Consultation	1.4
1.3	Familiarity Threat – Listed Entities, Prolonged Client Relationships	1.3
1.4	Human Resources – SQC 1	1.4
1.2–1.3	Independence – Annual Confirmation, Breach / Prompt Reporting, Independence Protocol	1.2–1.3
1.3	Integrity of Client – Matters to Consider	1.3
1.7	Leadership Responsibilities for Audit Quality – SA 220	1.7
1.2	Leadership Responsibilities for Quality – SQC 1	1.2
1.9–1.10	Mechanisms for Review of Quality Control	1.9–1.10
1.8	Monitoring – SA 220	1.8
1.6	Monitoring – SQC 1	1.6
1.10	National Financial Reporting Authority (NFRA), Companies / Bodies Covered under Rule 3, Purpose/Duties	1.10
1.9	Peer Review – Meaning & Process, Peer Review Board (PRB)	1.9
1.2	Quality Control Policies & Procedures (QCPP), Quality Control System (QCS) – Elements	1.2
1.10	Quality Review Board (QRB), Companies Selected for Review, Purpose & Technical Reviewers	1.10
1.6	Retention of Engagement Documentation – 7 Years	1.6
1.8	Review of Audit Documentation – SA 220	1.8
1.10	Rule 3 of NFRA Rules, 2018	1.10
1.7–1.9	SA 220 – Quality Control for Audit of Financial Statements	1.7–1.9
1.3	Safeguards against Familiarity Threat	1.3
1.2–1.6	SQC 1 – Elements of Quality Control System, Quality Control for Firms	1.2–1.6
1.1	SQC 1 vs SA 220	1.1
1.4	Team Competence & Performance	1.4
1.4	Withdrawal from Engagement / Client Relationship	1.4

Chapter 2: Auditing Principles

Page No.	Chapter 2: Auditing Principles — Index	Page No.
2.1	SA 200 — objectives / inherent limitations / FRF / skepticism	2.1
2.2	Professional skepticism / judgment / conduct as per SAs	2.2
2.2	SA 210 — preconditions / Engagement Letter / ToAE	2.2
2.3	Change in engagement / recurring audit — revised terms	2.3
2.3	SA 230 — documentation — meaning / objective / examples / timing	2.3
2.4	Audit documentation — form / extent / significant matters / judgment	2.4
2.5	SA 240 — Fraud — objectives / responsibilities / detection risk / FFR & MOA	2.5
2.6	Fraud — POA / FFR / MOA / MOC techniques	2.6
2.7	FFR risk factors — pressure / opportunity / monitoring / structure	2.7
2.8	FFR & MOA risk factors — IC deficiencies / rationalization / opportunity	2.8
2.9	MOA risk factors / fraud evaluation / skepticism / RAP	2.9
2.10	Fraud responses — FS & assertion level / MOC / evidence / withdrawal	2.10
2.11	Fraud — representations / communication / regulatory reporting / documentation	2.11
2.12	SA 250 — NOCLAR — types of laws / objectives / responsibilities	2.12
2.13	NOCLAR — audit procedures / suspected non-compliance / TCWG reporting	2.13
2.14	NOCLAR — Audit Report / regulatory reporting / documentation	2.14
2.15	SA 260 — TCWG — meaning / objectives / matters communicated	2.15
2.16	TCWG — scope & timing / significant findings / difficulties	2.16
2.17	TCWG — Audit Report / independence / communication / documentation	2.17
2.18	SA 299 — Joint Audit — planning / work allocation / sole responsibility	2.18
2.19	Joint Audit — joint responsibility / coordination / reporting / TCWG	2.19
2.20	SA 402 — Service Organisation — meaning / relevance / Type 1 & 2 Reports	2.20
2.21	Service Organisation — understanding / UE controls / Type 1 & 2 Reports	2.21
2.22	Service Organisation — ROMM / TOC / fraud & NOCLAR / reporting	2.22

Chapter 3 — Audit Planning

Page No.	Chapter 3: Audit Planning — Index	Page No.
3.1	SA 300 — Audit Planning — benefits / nature / plan vs strategy vs programme	3.1
3.2	Planning — continuous process / responsibility / acceptance / audit plan contents	3.2
3.3	Audit planning — changes / modification of strategy & plan	3.3
3.3–3.4	Audit Strategy — scope / timing / direction / key factors	3.3–3.4
3.4–3.5	Audit Strategy — resources / documentation / relation with Audit Plan	3.4–3.5
3.5	Audit Programme — meaning / formulation / stages / modification	3.5
3.6	Audit Programme — alteration / Audit Execution phases	3.6
3.7	SA 600 — Another Auditor — PA/OA / reliance / responsibility / procedures	3.7
3.8	Another Auditor — review / findings / coordination / reporting	3.8
3.9	SA 610 — Internal Auditor — IAF / direct assistance / use of work / responsibility	3.9
3.10	IAF — extent of use / adequacy / direct assistance / objectivity / competence	3.10
3.11	Direct Assistance — prohibited work / written agreement / DSR	3.11
3.12	SA 620 — Auditor's Expert — meaning / need / responsibility / use of expert	3.12
3.13	Auditor's Expert — NTE / competence / capability / objectivity / safeguards	3.13

Page No.	Chapter 3: Audit Planning — Index	Page No.
3.14	Auditor's Expert — agreement / adequacy / assumptions / data / reporting	3.14
3.15	SA 540 — Accounting Estimates — definitions / uncertainty / ROMM / bias	3.15
3.16	Accounting Estimates — judgments / management bias / measurement / RAP	3.16
3.17	Accounting Estimates — management process / prior estimates / EU / ROMM / responses	3.17
3.18	Accounting Estimates — controls / reasonableness / disclosure / WR / documentation	3.18
3.19	SA 520 — Analytical Procedures — SAP / final review / investigation	3.19
3.20	SA 450 — Misstatements — meaning / types / accumulation / correction	3.20
3.21	Misstatements — UCMS / materiality / TCWG / WR / documentation	3.21

Chapter 4 — Risk & Control

Page No.	Chapter 4: Risk & Control — Index	Page No.
4.1	Materiality & Audit Risk — ROMM / IR / CR / DR / inter-relationship	4.1
4.2	Audit Risk — control risk / detection risk / FS vs assertion level	4.2
4.3	Assertions — transactions / balances / disclosures / ROMM identification	4.3
4.4	Potential misstatements / assertion-based risk / RBA — meaning / objectives	4.4
4.5	Risk-Based Audit — error vs fraud / RAP / FAP / reporting	4.5
4.6	Risk-Based Audit process — assessment / response / reporting / documentation	4.6
4.7	Internal Control — meaning / scope / objectives / deviations / auditor response	4.7
4.8	Internal Control — limitations / SOD / authorization / control objectives	4.8
4.9	Internal Control — records / safeguarding / independent checks / components	4.9
4.10	Control Environment / Entity's RAP — key elements / changing risks	4.10
4.11	Control Activities / Information System — application & IT controls / FR process	4.11
4.12	Monitoring / Internal Check — meaning / methods / objectives	4.12
4.13	Internal Check — effectiveness / conditions / safeguards	4.13
4.14	Review of Internal Controls — procedures / manual controls / weaknesses / timing	4.14
4.15	IC Assessment — SOP / ERM / SOD / rotation / IT controls / ICQ	4.15
4.16	ICQ / Checklist — design / frequency / differences	4.16
4.17	Flowchart — meaning / benefits / preparation / sectional flowcharts	4.17
4.18	SA 265 — IC deficiencies / significant deficiency / Management Letter / communication	4.18
4.19	SA 265 communication / SA 330 — overall response / FAP / TOC	4.19
4.20	IC Frameworks — IFC-FR / COSO / objectives / components / principles	4.20
4.21	IC Frameworks — CoCo / COBIT / Turnbull	4.21
4.22	Turnbull / SOX 404 / PCAOB — ICoFR / integrated audit	4.22

Chapter 5 — Audit Evidence

Page No.	Chapter 5: Audit Evidence — Index	Page No.
5.1	SA 500 — Audit Evidence — scope / objective / reliability / audit procedures	5.1
5.2	Audit Evidence — meaning / sufficiency & appropriateness / 7 procedures / reliability issues	5.2
5.3	SA 501 — Inventory / litigation / segment information — audit procedures	5.3
5.4	SA 505 — External Confirmations — procedure / refusal / non-response / exceptions / negative confirmation	5.4
5.5	External Confirmations — positive vs negative / refusal / evaluation of responses	5.5

Page No.	Chapter 5: Audit Evidence — Index	Page No.
5.6	SA 510 — Opening Balances — objectives / procedures / policies / predecessor report / reporting	5.6
5.7	Opening Balances — specific procedures / current & non-current items / modified opinion	5.7
5.8	SA 530 — Audit Sampling — design / size / selection / deviations / projection / evaluation	5.8
5.9	Audit Sampling — selection methods / replacement / AAP / sampling risk	5.9
5.10	Sampling — non-sampling risk / anomaly / projection / evaluation	5.10
5.11	SA 550 — Related Parties — meaning / ROMM / RAP / unidentified RPT	5.11
5.12	Related Parties — unusual RPT / authorization / WR / TCWG / documentation	5.12

Chapter 6 — Completion & Review

Page No.	Chapter 6: Completion & Review — Index	Page No.
6.1	SA 560 — Subsequent Events — adjusting / non-adjusting / events vs facts / auditor objectives	6.1
6.2	Subsequent Events — events before Audit Report / RAP / adjustment-disclosure / WR	6.2
6.2	Facts after Audit Report but before FS issue — amendment / dual dating / new report / management refusal	6.2
6.3	Facts after FS issue — amendment / informing users / new report / EMP-OMP / prevent reliance	6.3
6.4	SA 570 — Going Concern — objectives / RAP / management assessment / professional skepticism	6.4
6.4	Going Concern indicators — financial events / conditions	6.4
6.5	Going Concern indicators — operating / regulatory / legal / other conditions	6.5
6.5	Management assessment — process / assumptions / future plans / feasibility / 12-month period	6.5
6.5	Going Concern doubt — additional procedures / cash-flow forecast / WR	6.5
6.6	Going Concern — audit procedures / loans / litigation / financial support / subsequent events	6.6
6.6	Going Concern reporting — inappropriate basis / material uncertainty / MURGA / Qualified-Adverse opinion	6.6
6.7	SA 580 — WR — meaning / objectives / audit evidence / from whom	6.7
6.7	WR — management responsibilities / preparation of FS / information & transactions / qualifying language	6.7
6.8	WR — necessity / reconfirmation of management responsibilities / SA 210	6.8
6.8	Other WR — accounting policies / assets-liabilities / non-compliance / internal-control deficiencies	6.8
6.8	WR for specific assertions — management judgments / intentions / ability / inconsistent information	6.8
6.9	WR — date / periods / change in management / representation letter	6.9
6.9	WR reliability — management integrity / inconsistent evidence / refusal / Disclaimer of Opinion	6.9
6.10	Illustrative WR Letter — FS responsibilities / estimates / RPT / subsequent events / UCMS / information / fraud / laws	6.10

Chapter 7A — Audit Report

Page No.	Chapter 7A: Audit Report — Index	Page No.
7A.1	SA 700 — opinion formation / reasonable assurance / fair presentation	7A.1
7A.2	GPFS / GPFRF — fair presentation vs compliance framework / opinion language	7A.2
7A.2	Auditor's Report — basic elements / title / addressee	7A.2
7A.3	Opinion & Basis for Opinion — contents / true & fair view / independence / SAAE	7A.3
7A.3	MURGA / KAM / OI — placement & basic reporting	7A.3
7A.4	Management & TCWG responsibilities — FS / IC / going concern / oversight	7A.4
7A.4	Auditor's responsibilities — assurance / materiality / skepticism / ROMM / IC / estimates	7A.4

Page No.	Chapter 7A: Audit Report — Index	Page No.
7A.5	Auditor's responsibilities — going concern / fair presentation / group audit / TCWG communication	7A.5
7A.5	DOAR location / ROLRR / signature / UDIN	7A.5
7A.6	Auditor's Report — place / date / subsequent events	7A.6
7A.6	Report prescribed by Law — special layout / minimum SA 700 elements	7A.6
7A.6	SA + ISA/Other Jurisdiction Standards — dual reference / conditions	7A.6
7A.7	Supplementary Information — integral vs non-integral / unaudited SI / management refusal	7A.7
7A.8	SA 701 — KAM — meaning / purpose / applicability / disclaimer exception	7A.8
7A.9	KAM determination — high ROMM / management judgment / significant events-transactions	7A.9
7A.9	KAM reporting — significance / audit response / no separate opinion / Nil reporting / TCWG	7A.9
7A.9	KAM — not substitute for modified opinion / disclosure / MURGA	7A.9
7A.10	SA 705 — modified opinion / pervasive / QO-AO-DO / multiple uncertainties	7A.10
7A.11	Modified opinion decision — MMS vs inability to obtain SAAE / materiality / pervasiveness	7A.11
7A.11	Management-imposed scope limitation — removal / alternative procedures / QO-DO / withdrawal	7A.11
7A.11	Auditor resignation — SEBI 45-day rule / quarterly-full year reporting / reasons	7A.11
7A.12	Disclaimer / Adverse Opinion — restrictions / amended DOAR / no KAM	7A.12
7A.12	Modified opinion drafting — QO / AO / DO wording	7A.12
7A.13	Basis for Modified Opinion — amount / disclosure / non-disclosure / inability to obtain SAAE / TCWG	7A.13
7A.14	SA 706 — EMP vs OMP — meaning / distinction / purpose	7A.14
7A.14	EMP — conditions / contents / litigation / subsequent events	7A.14
7A.15	EMP — new AS / catastrophe / special-purpose FRF / unacceptable prescribed FRF	7A.15
7A.15	EMP — not substitute for MO / disclosure / MURGA / relationship with KAM	7A.15
7A.15	OMP — conditions / CFS-component auditors / branch auditors / TCWG communication	7A.15
7A.16	Notes on Accounts vs Qualification — management disclosure / auditor's independent reporting	7A.16
7A.16	Audit Report vs Certificate — opinion vs verification of facts	7A.16
7A.17	SA 710 — Comparative Information — corresponding figures vs comparative FS / SA 510	7A.17
7A.17	Comparative Information — audit procedures / consistency / misstatement / WR	7A.17
7A.18	Corresponding Figures — unresolved prior modification / prior MMS / unaudited / predecessor auditor	7A.18
7A.18	Comparative FS — each-period opinion / changed opinion / predecessor auditor	7A.18
7A.19	Comparative FS — predecessor's prior unmodified report subsequently misstated / amended FS	7A.19
7A.19	Comparative FS unaudited — OMP / opening balances	7A.19
7A.20	SA 720 — OI — Annual Report / definition / scope / exclusions / material inconsistency	7A.20
7A.20–7A.21	OI — obtaining documents / timing / final version / WR	7A.20–7A.21
7A.21	OI — reading / inconsistency with FS or auditor knowledge / unrelated misstatement	7A.21
7A.21	MMS in OI — management correction/refusal / TCWG / before vs after Audit Report	7A.21
7A.22	OI — MMS in FS / updated auditor understanding / SA 315-450-560	7A.22
7A.22	OI reporting — listed vs unlisted / contents / uncorrected MMS / prescribed format	7A.22
7A.23	OI examples — financial amounts / ratios / RPT / litigation / business outlook	7A.23
7A.23	OI inconsistencies — OI vs FS / auditor knowledge / unrelated OI	7A.23
7A.24	Sec 143(1) — auditor inquiries — loans / book entries / investments / deposits / personal expenses / share allotment	7A.24
7A.24	Sec 143(3) — auditor reporting duties — books / branch / AS / directors / qualifications / IFC	7A.24
7A.25	IFC reporting exemption — OPC / Small Co. / private company turnover-borrowing limits	7A.25
7A.25	Sec 143(3) prescribed matters — litigation / foreseeable losses / IEPF	7A.25
7A.25	Ultimate Beneficiary — intermediary / funding party / indirect loans-investments / management representation	7A.25

Page No.	Chapter 7A: Audit Report — Index	Page No.
7A.25	Dividend / Audit Trail — edit log / tampering / preservation / 8 years	7A.25
7A.25	Managerial remuneration / negative remarks — Sec 197(16) / reasons	7A.25
7A.26	Sec 143(9)–(11) — compliance with SA / CG-NFRA / CARO	7A.26
7A.26	Sec 143(12) Fraud ≥ ₹1 crore — AC/BOD / 2-45-15 days / CG / ADT-4	7A.26
7A.26	Fraud < ₹1 crore — AC/BOD reporting / Board Report disclosure / CARO	7A.26
7A.26–7A.27	Fraud reporting — confidentiality / CS-CMA applicability / penalty	7A.26–7A.27
7A.27	Fraud — SA 240 vs Sec 447 / auditor detection limitations	7A.27
7A.27	Sec 145 — signing Audit Report / qualifications-adverse comments read at GM / inspection	7A.27

Chapter 7B — CARO, 2020

Page No.	Chapter 7B: CARO, 2020 — Index	Page No.
7B.1–7B.2	CARO 2020 — applicability / companies covered & exempt / private company limits	7B.1–7B.2
7B.2	Para 3(i) — PPE / intangibles / physical verification / title deeds / revaluation / benami property	7B.2
7B.3	Para 3(ii) — inventory verification / 10% discrepancy / working capital limits / quarterly returns	7B.3
7B.3–7B.4	Para 3(iii) — loans / guarantees / security / investments / group entities / prejudicial terms / repayment / overdue	7B.3–7B.4
7B.4	Loans — recovery / renewal-extension / fresh loans / demand loans / promoter-RP loans	7B.4
7B.4	Para 3(iv) — Sec 185 & 186 compliance / limits / approvals / interest / register	7B.4
7B.5	Para 3(v)–(viii) — deposits / cost records / statutory dues / unrecorded income	7B.5
7B.5	Statutory dues — undisputed arrears >6 months / disputed dues / forum	7B.5
7B.6	Para 3(ix) — loan defaults / wilful defaulter / diversion / short-term to long-term / group funding / pledged securities	7B.6
7B.6	Para 3(x) — IPO/FPO / preferential allotment / private placement / Sec 42-62 / fund utilization	7B.6
7B.6	Para 3(xi) — fraud / Sec 143(12) / ADT-4 / whistle-blower complaints	7B.6
7B.7	Para 3(xii) — Nidhi — NOF:Deposit 1:20 / 10% liquidity / default	7B.7
7B.7	Para 3(xiii) — RPT — Sec 177/188 compliance / AS-18-Ind AS 24 disclosure	7B.7
7B.7–7B.8	Para 3(xiv)–(xv) — Internal Audit system / reports / non-cash transactions / Sec 192	7B.7–7B.8
7B.8	Para 3(xvi) — NBFC/HFC/CIC — RBI registration / 50-50 test / CIC criteria / group CICs	7B.8
7B.8	Para 3(xvii)–(xviii) — cash losses / resignation of previous auditor / incoming auditor responsibility	7B.8
7B.9	Para 3(xix) — Going Concern — ratios / ageing / liabilities due within 1 year / material uncertainty	7B.9
7B.9	Para 3(xx) — Unspent CSR — ongoing vs other projects / 30-day & 6-month transfer / Sec 135	7B.9
7B.10	Para 3(xxi) — CFS / qualified or adverse CARO remarks of group companies	7B.10
7B.10	Para 4 — unfavourable / qualified answers / disclaimer — reasons	7B.10

Chapter 8 — Specialised Areas

Page No.	Chapter 8: Specialised Areas — Index	Page No.
8.1	SA 800 — SPFS / Special Purpose Framework — meaning / types / examples / complete set including notes	8.1
8.1	SA 800 — Engagement acceptance — intended users / acceptability of FRF / prescribed framework	8.1
8.2	SA 800 — FRF acceptability — law/regulation conflicts / contractual framework / professional judgment	8.2
8.2	SA 800 — Planning & performance — SA 200 / departure from SA / materiality / contract interpretations / TCWG	8.2
8.2	SA 800 — Applicable FRF — description / significant interpretations of contract	8.2
8.3	SA 800 — Auditor's Report — purpose / intended users / management responsibility / KAM / OI / OMP	8.3
8.3	SA 800 — SPFS alert / EMP / restriction on distribution or use	8.3
8.4	SA 805 — Single FS / Specific Element — scope / meaning / examples / related notes / SA 600 exclusion	8.4
8.4	SA 805 — Engagement acceptance — SA 200 / relevant SAs / departure / complete FS audit not required	8.4
8.5	SA 805 — Practicability — auditor not auditing complete FS / further evidence / disproportionate work / AUP alternative	8.5
8.5	SA 805 — FRF acceptability — adequate disclosures / intended users / established FRF	8.5
8.5	SA 805 — Planning & performance — adapt SAs / SA 240, 550, 570 / TCWG / evidence from complete FS	8.5
8.6	SA 805 — Interrelated items / SAAE / materiality lower than complete FS	8.6
8.6	SA 805 — Form of opinion — FRF / true & fair / presents fairly / compliance framework / professional judgment	8.6
8.6–8.7	SA 805 — Reporting — SA 700 & SA 800 adapted / related notes & disclosures	8.6–8.7
8.7	SA 805 — Reporting requirements — Going Concern / KAM / Other Information / auditor signature	8.7
8.7	SA 805 — Complete FS report matters — implications / relevant factors / OMP reference / separate opinion	8.7
8.8	SA 805 — Single FS vs Complete FS — clear differentiation / publication together	8.8
8.8	SA 805 — Modified opinion on Complete FS — implications / AO-DO / unmodified opinion exception for specific element / no exception for Single FS	8.8
8.8	SA 805 — Limited disclaimer / SA 800 & 805 do not override other SAs	8.8
8.9	SA 810 — Summary FS — meaning / derived from Audited FS / same auditor / engagement acceptance	8.9
8.9	SA 810 — Applied Criteria — acceptability / factors / sources / misleading Summary FS	8.9
8.9	SA 810 — Unacceptable criteria / management agreement unavailable / engagement required by law	8.9
8.9–8.10	SA 810 — Management responsibilities — preparation / Audited FS availability / auditor's report inclusion / form of opinion	8.9–8.10
8.10	SA 810 — Audit procedures — identification / availability / applied criteria / comparison / aggregation / not misleading	8.10
8.10	SA 810 — Opinion — consistent with / fair summary / different wording prescribed by law	8.10
8.11	SA 810 — Auditor's Report — elements / warning / responsibilities / subsequent events / reference to Audited FS	8.11
8.11	SA 810 — Report date — SAAE / management responsibility / date of report on Audited FS	8.11
8.11–8.12	SA 810 — Modified report on Audited FS — QO / EMP / OMP / MURGA / KAM / OI implications	8.11–8.12
8.12	SA 810 — AO/DO on Audited FS / adverse opinion on Summary FS	8.12
8.12	SA 810 — Restriction or SPFRF alert / comparatives / another auditor	8.12
8.12	SA 810 — USI / Other Information — differentiation / material inconsistency / management refusal	8.12
8.13	SA 810 — Auditor's association — report omitted / inappropriate reference / same or different auditor / appropriate action	8.13
8.13	SA 810 — Subsequent events — later Summary FS report / facts existing at report date / SA 560	8.13

Chapter 9 — Related Services

Page No.	Chapter 9: Related Services — Index	Page No.
9.1	Related Services vs Assurance — meaning / examples / no assurance	9.1
9.1	SRS 4400 — AUP — objective / factual findings / users draw own conclusions / restricted users / Audit vs AUP	9.1
9.2	SRS 4400 — Ethics / independence not mandatory / disclosure if not independent	9.2
9.2	SRS 4400 — Terms of engagement / engagement letter / purpose / FI / procedures / distribution restriction	9.2
9.2	SRS 4400 — Planning / procedures & evidence / inquiry / recomputation / observation / inspection / confirmation	9.2
9.2–9.3	SRS 4400 — Report on factual findings — purpose / procedures / findings / no assurance / restriction / report elements	9.2–9.3
9.3	SRS 4400 — Documentation — support factual findings / compliance with SRS & engagement terms	9.3
9.4	SRS 4410 — Compilation engagement — meaning / scope / objectives / uses / non-assurance / SQC 1	9.4
9.4	SRS 4410 — Management responsibility — FI / FRF / accounting policies / estimates	9.4
9.5	SRS 4410 — Ethics / independence not mandatory / FRF	9.5
9.5	SRS 4410 — Acceptance & continuance — agreed terms / responsibilities / internal control / use & distribution / engagement letter / recurring engagements	9.5
9.5	SRS 4410 — Performing engagement — entity & FRF understanding / compilation / significant judgments / Management & TCWG	9.5
9.6	SRS 4410 — Incomplete or inaccurate information / management failure / amendments / misleading FI / withdrawal / written representation	9.6
9.6	SRS 4410 — Communication with Management & TCWG / significant matters	9.6
9.6–9.7	SRS 4410 — Practitioner's Report — nature / responsibilities / FRF / FI / no opinion or conclusion	9.6–9.7
9.7	SRS 4410 — SPFRF report — purpose / intended users / alert not suitable for other purposes	9.7
9.7	SRS 4410 — Engagement-level quality control / overall quality / firm QC policies	9.7
9.7	SRS 4410 — Documentation — significant matters / reconciliation / final compiled FI / practitioner's report	9.7

Chapter 10 — Review

Page No.	Chapter 10: Review — Index	Page No.
10.1	Review engagement — limited assurance / fewer procedures / negative conclusion / SQC 1	10.1
10.1	SRE 2400 — scope / practitioner not entity auditor / inquiry & AP / additional procedures / objectives	10.1
10.2	SRE 2400 — acceptance & continuance — rational purpose / appropriateness / ethics / information / management integrity / scope limitation	10.2
10.2–10.3	SRE 2400 — preconditions — acceptable FRF / management responsibilities / information & access / failure of preconditions	10.2–10.3
10.3	Terms of engagement — engagement letter / recurring review / change to non-assurance engagement	10.3
10.3	Review performance — materiality / entity & FRF understanding / MMS areas / revision	10.3
10.4	Inquiry & AP — material items / MMS areas / other procedures / inquiry subjects / management responses	10.4
10.5	Inquiry & AP — management intent / corroboration / professional scepticism / trends / variances / KPI	10.5

Page No.	Chapter 10: Review — Index	Page No.
10.5	Specific circumstances — related parties / unusual transactions / fraud / NOCLAR / going concern	10.5
10.6	Other practitioner / expert / group FS — adequacy of work / review procedures	10.6
10.6	Additional procedures — suspected MMS / further inquiry & AP / tests of details / confirmations / scope limitation	10.6
10.6	Subsequent events — adjustment / disclosure / facts after report / management refusal / preventing reliance	10.6
10.7	WR — management responsibilities / disclosures / refusal / integrity doubts / disclaimer or withdrawal	10.7
10.7–10.8	Evidence evaluation — SAE shortfall / extend work / alternative procedures / scope limitation	10.7–10.8
10.8	Practitioner's conclusion — UC / fair presentation vs compliance framework / uncorrected MS / management bias	10.8
10.8–10.10	Modified conclusion — MMS / inability to obtain SAE / qualified / adverse / disclaimer criteria	10.8–10.10
10.9–10.10	Modified conclusion drafting — basis paragraph / quantified effects / omitted disclosures / withdrawal	10.9–10.10
10.10–10.11	SRE 2400 report — elements / management & practitioner responsibilities / review limitations / SPFS	10.10–10.11
10.11	SRE 2400 report — date / signature / ethics / modified conclusion / EMP / OMP / other reporting responsibilities	10.11
10.11–10.12	SRE 2400 documentation — NTE / results / judgments / preparer-reviewer / discussions / inconsistencies	10.11–10.12
10.12	Audit vs Review — assurance / procedures / evidence / opinion vs conclusion / positive vs negative wording	10.12
10.13	SRE 2410 — IFI review by entity auditor / complete or condensed FS / scope / illustrative report	10.13
10.14	SRE 2410 — objective / moderate assurance / engagement letter / entity & IC understanding	10.14
10.14	IFI understanding — prior audit-review records / significant risks / materiality / IC weaknesses / fraud / new auditor / components	10.14
10.15	IFI review procedures — minutes / prior modifications / management inquiries / RP / fraud / NOCLAR / commitments / contingencies	10.15
10.15	IFI AP — prior periods / annual FS / budgets / non-financial data / ratios / disaggregated data	10.15
10.16	Review timing — early or concurrent procedures / lawyer communication / tracing IFI to records	10.16
10.16–10.17	IFI — subsequent events / going concern / additional inquiries or other procedures	10.16–10.17
10.17	IFI misstatements & WR — UCMS / material adjustments / IC / fraud / NOCLAR / subsequent events	10.17
10.17	Other Information — material inconsistency / misstatement of fact / amendment refusal / TCWG / legal advice	10.17
10.18	Communication — material adjustment / management-TCWG non-response / fraud / NOCLAR / withdrawal or auditor resignation	10.18
10.18–10.19	SRE 2410 report — elements / complete vs condensed IFI / limited scope / conclusion / UDIN	10.18–10.19
10.19	FRF departure — qualified or adverse conclusion / explanatory paragraph / omitted disclosure	10.19
10.19–10.20	Scope limitation — management-imposed / non-acceptance / removal request / disclaimer / rare qualified conclusion	10.19–10.20
10.20	Going concern uncertainty — adequate disclosure EMP / continued uncertainty / inadequate disclosure qualified or adverse conclusion	10.20
10.20–10.21	IFI publication — review report omitted / modified report excluded / legal advice / resignation	10.20–10.21
10.21	Condensed IFI — significant events & changes / reference to latest audited FS / misleading omission	10.21
10.21	SRE 2410 documentation — basis for conclusion / compliance with SRE & law	10.21

Chapter 11 — Prospective FI & Assurance

Page No.	Chapter 11: Prospective — Index	Page No.
11.1	Assurance engagements — non-historical / non-financial subject matter / moderate or reasonable assurance	11.1
11.1–11.2	SAE 3400 — Prospective FI / forecast / projection / best-estimate & hypothetical assumptions	11.1–11.2
11.2	SAE 3400 — scope / speculative evidence / no assurance of actual achievement / management responsibility	11.2
11.2–11.3	CA association with forecasts & projections — Code of Ethics / disclosure / no vouching for accuracy	11.2–11.3
11.3	Prospective FI examination — assumptions / preparation / presentation / disclosures / consistency with historical FS	11.3
11.3	SAE 3400 acceptance — intended use / distribution / assumptions / period / unrealistic assumptions / engagement letter	11.3
11.3	Examination procedures — NTE factors / management competence / MMS / source reliability / industry data	11.3
11.4	Hypothetical assumptions — purpose consistency / realism / significant implications	11.4
11.4	Prospective FI presentation — policies / assumptions / uncertainty / sensitivity / range / date / policy changes	11.4
11.4–11.5	SAE 3400 report — elements / negative assurance on assumptions / opinion on preparation / achievability caveat	11.4–11.5
11.5	Prospective FI modifications — inadequate disclosure / inappropriate assumptions / scope limitation / withdrawal	11.5
11.5	SAE 3400 documentation — report support / compliance evidence	11.5
11.6	SAE 3402 — SO / UE / Service Auditor / User Auditor / ICoFR / SA 402 linkage	11.6
11.6	SAE 3402 scope — design responsibility / excluded controls / operations & compliance controls relevant to ICoFR	11.6
11.7	SAE 3402 objectives — system description / control design / operating effectiveness / reasonable assurance	11.7
11.7	Type 1 vs Type 2 report — specified date vs period / design vs operating effectiveness / TOC results	11.7
11.7–11.8	SAE 3402 acceptance — ethics / competence / suitable criteria / useful scope / justified change	11.7–11.8
11.8	SAE 3402 performance — materiality / SO system / description / design / operating effectiveness / IAF	11.8
11.8	SAE 3402 WR & subsequent events — assertion / access / fraud / NOCLAR / control deficiencies / deviations	11.8
11.8–11.9	Service Auditor's Report — CUEC / SSO / criteria / responsibilities / restricted users / control limitations	11.8–11.9
11.9	Service Auditor's opinion — Type 1 & Type 2 conclusions / description / design / operating effectiveness	11.9
11.10	Type 2 reporting — TOC / population or sample / extent / number & nature of deviations	11.10
11.10	SAE 3402 modified opinion & documentation — description / design / operating failure / SAE / NTE / judgments	11.10
11.11	SAE 3420 — Pro Forma FI in prospectus / significant event / adjustments / unadjusted FI / purpose / limitations	11.11
11.11	Pro Forma FI compilation — source / adjustments / presentation / applicable criteria / reasonable assurance objective	11.11
11.12	SAE 3420 acceptance — competence / suitable criteria / prescribed opinion / modified source reports / unaudited information	11.12
11.12	Responsible Party — compilation / criteria disclosure / information & access / acquiree information	11.12
11.13	SAE 3420 procedures — materiality / source appropriateness / extraction / adjustments / presentation / OI	11.13

Page No.	Chapter 11: Prospective — Index	Page No.
11.13	SAE 3420 WR & opinion — identified adjustments / criteria compliance / unmodified or modified opinion / withdrawal / legal advice	11.13
11.14	SAE 3420 EMP — fundamental disclosed matter / SAE requirement / reference restriction	11.14
11.14	SAE 3420 report — source / period / criteria / responsibilities / no update of historical reports / no assurance on actual outcome	11.14
11.15	SAE 3420 report — procedures / adjustments / presentation / opinion wording / signature / date / place	11.15
11.15	SAE 3420 documentation — engagement evidence	11.15

Chapter 12 — Digital Audit

Page No.	Chapter 12: Digital Audit — Index	Page No.
12.1	Digital Audit — meaning / key features / advantages	12.1
12.2	Digital Audit — automation considerations / challenges / new technology impact	12.2
12.2	Auditing Digitally — meaning / auditor expectations / RPA-BOT example	12.2
12.3	Auditing Digitally — advantages / technology selection / upskilling / automation solutions	12.3
12.3	IT Environment — understanding / IT reliance / controls / complexity / specialists	12.3
12.4	IT Environment — transaction flow / significant systems / manual & automated controls / emerging technologies	12.4
12.4	IT Environment — complexity factors / IT risks identification	12.4
12.5	IT Risks — unauthorized access & changes / data loss / downtime / system integration & compatibility / regulatory risk	12.5
12.5	IT Systems — performance issues / scaling	12.5
12.5	IT Dependencies — importance / identification / types	12.5
12.6	IT Dependencies — automated controls / reports / calculations / security / interfaces	12.6
12.6	ITGC — IT dependency risks / access security / program change controls	12.6
12.7	ITGC — data centre & network operations / backup / recovery / reliance on IT dependencies	12.7
12.7	Cyber Risk — meaning / malware / ransomware / fileless malware / Trojan / mobile malware	12.7
12.7	Cyberattacks — DoS / phishing	12.7
12.8	Phishing — spear phishing / whaling / smishing / vishing	12.8
12.8	Cyberattacks — spoofing / identity-based attacks / insider threats / DNS tunnelling / IoT attacks	12.8
12.8	Cyber Risk — assessment / common threats	12.8
12.9	Cyber Risk — impact / management	12.9
12.9–12.10	Cybersecurity Framework — identify / protect / detect / respond / recover	12.9–12.10
12.10	Cybersecurity — digital asset management / governance / cybersecurity program / TCWG	12.10
12.10–12.11	Cyber Risk Controls — vendor master changes / authentication / wire transfers	12.10–12.11
12.11	Cyber Risk Controls — patch management / vulnerability scans / upgrades	12.11
12.11	Remote / Virtual Audit (RAVA) — meaning / feasibility / planning / execution	12.11
12.11–12.12	RAVA — confidentiality / data protection / VPN / risk assessment / access security	12.11–12.12
12.12	RAVA — advantages / disadvantages	12.12
12.12	Emerging Technologies — Data Analytics / Audit Analytics / CAATs	12.12
12.13	CAATs — ACL / Alteryx / Power BI / CaseWare	12.13
12.13	Automated Tools — IoT / AI / Blockchain / RPA	12.13
12.14	IoT — meaning / components / applications / audit implications / risks	12.14
12.14	AI — meaning / audit implications / algorithms / bias / cybersecurity	12.14
12.15	AI — security / configuration / data privacy risks	12.15

Page No.	Chapter 12: Digital Audit — Index	Page No.
12.15–12.16	Blockchain — meaning / working / audit implications / privacy / NOCLAR / risks	12.15–12.16
12.16	NFT — meaning / features / ownership / challenges / audit considerations	12.16
12.16–12.17	RPA — meaning / audit implications / source code / logs / access & ITGC	12.16–12.17
12.17	RPA — operational / change management / strategy risks / IND AS–IFCoFR–SA use	12.17
12.17	Digital Audit Controls — IT environment / new technology risks / upskilling / specialists	12.17
12.17–12.18	Technology Risks — system processing / access / master data / program changes / data loss / third parties / cyber risk	12.17–12.18
12.18	Changing Technology — auditor steps / professional skepticism / risk assessment / ICoFR / audit response	12.18
12.18	Next Generation Audit — human-led / tech-powered / data-driven / full population / automation	12.18
12.18	Drone Technology — stock counts / audit evidence / QR & barcode integration	12.18
12.19	AR & VR — meaning / distinction / applications	12.19
12.19	Metaverse — meaning / technologies / governance / identity-KYC / synchronicity	12.19
12.19	Metaverse — virtual banking / transactions / digital assets & NFTs	12.19
12.20	Metaverse — financial education / virtual meetings / data visualization & analytics	12.20
12.20	AR / VR / Metaverse — cybersecurity / privacy / taxation / jurisdiction / governance risks	12.20
12.20	Emerging Technologies — auditor role / technology integration / governance / controls / risk identification	12.20

Chapter 13 — Group Audit

Page No.	Chapter 13: Group Audit — Index	Page No.
13.1	Group Audit / CFS — structure / principal & component auditors / consolidation overview	13.1
13.2	CFS under Section 129 & Rule 6 — mandatory preparation / AOC-1 / intermediary holding exemption / foreign subsidiaries	13.2
13.2	Investment entity — Ind AS 110 exemption / conditions / parent consolidation	13.2
13.3	Parent management — CFS preparation / components / segments / related parties / adjustments / policy harmonisation	13.3
13.3	CFS auditor — responsibility / objectives / Sections 143(1) & 143(3) / planning / controls / audit risk	13.3
13.4	Group audit considerations — consolidation information / other auditors / separate component assignment / SA 600	13.4
13.4	Group & component materiality — scoping / communication / confirmations / component auditor observations	13.4
13.5	CFS audit planning — group structure & controls / consolidation process / foreign components / ROMM / coordination	13.5
13.5	Components — completeness procedures / control relationships / exclusion criteria & reporting	13.5
13.6	Consolidation under AS vs Ind AS — subsidiaries / associates / JV / joint operations / staged acquisition	13.6
13.6	Component status & auditor verification — off-balance-sheet entities / de facto control / permanent adjustments	13.6
13.7	Permanent consolidation adjustments — pre-acquisition reserves / goodwill / capital reserve / NCI / shareholding changes	13.7
13.7–13.8	Current period adjustments — intra-group balances & profits / deferred tax / accounting policies / subsequent events / foreign GAAP	13.7–13.8
13.8	Consolidation verification — memorandum records / uniform policies / NCI / acquisition-date income & expenses	13.8

Page No.	Chapter 13: Group Audit — Index	Page No.
13.8–13.9	Goodwill impairment / negative NCI / different reporting dates — audit procedures / 6-month & 3-month limits	13.8–13.9
13.9	CFS disclosures — relevance / Schedule III / net assets / profit or loss / OCI / consolidation adjustments	13.9
13.9–13.10	Excluded CFS notes — separate-FS information not required / overriding AS & legal compliance	13.9–13.10
13.10	Management representations — CFS responsibility / completeness / segments / related parties / adjustments	13.10
13.10–13.11	CFS reporting — SA 700 / 705 / 706 / SA 600 / same auditor vs other auditors	13.10–13.11
13.11	Other auditors — division of responsibility / OMP / magnitude disclosure / no modification	13.11
13.11–13.12	Different accounting framework — foreign components / GAAP conversion / group accounting policies / component report reliance	13.11–13.12
13.12	Different auditing framework / unaudited components — Indian GAAS / SAAE limitation / modification / magnitude disclosure	13.12

Chapter 14A — Bank Audit

Page No.	Chapter 14A: Bank Audit — Index	Page No.
14A.1	Bank audit — distinguishing characteristics / special risks / IT dependence / SCA–SBA considerations	14A.1
14A.1–14A.2	Banking legal framework — governing Acts / RBI powers	14A.1–14A.2
14A.2	Bank FS — Form A & B / AS applicability / Ind AS deferral / branch consolidation / listed banks	14A.2
14A.2	Bank auditors — SCA / SBA / joint audit / appointment letter / appointing authorities	14A.2
14A.3	Audit initial considerations — acceptance / indebtedness / internal assignment restriction / SA 210 / previous auditor / team	14A.3
14A.3–14A.4	Bank & risk management understanding — IC / accounting process / TCWG oversight / limits / monitoring / MIS	14A.3–14A.4
14A.4	Risk assessment — ROMM / fraud / money laundering–KYC / IT & outsourcing risks	14A.4
14A.4	Audit execution — SA 330 / strategy / APM / materiality / going concern	14A.4
14A.5	Bank IT environment — CBS / data integrity / BCP–DRP / MIS / exception reports / SCA–SBA coordination	14A.5
14A.5	IT security controls — authorised processing / access / SoD / parameter changes / logs / GL reconciliation	14A.5
14A.5	CAID / CIAD & RBIA — responsibilities / branch risk assessment / risk matrix	14A.5
14A.6	Bank IC — staff rotation / independent checks / stationery / insurance / financial powers / surprise inspection	14A.6
14A.6	Cash / clearing / bills for collection — custody / verification / CTS / unpaid cheques / collection controls	14A.6
14A.7	Bills discounted / advances — documentation / margin / limits / drawing power / securities / review	14A.7
14A.7	Demand drafts / inter-branch accounts / credit cards — advice / reconciliation / issue / settlement / overdue monitoring	14A.7
14A.8	CRR & SLR — meaning / legal basis / odd-date verification / DTL & liquid-assets computation	14A.8
14A.8–14A.9	CRR–SLR audit — DTL exclusions / inclusions / exempt categories / foreign currency conversion	14A.8–14A.9
14A.9	CRR–SLR reporting — all branches / foreign branch adjustments / Forms A & VIII / regional consolidation / unaudited branches / ADF	14A.9
14A.10	Cash & RBI balances — physical verification / confirmation / reconciliation / unresponded entries	14A.10
14A.10	Other bank balances & call money — reconciliation / window dressing / authorisation / confirmation / interest	14A.10

Page No.	Chapter 14A: Bank Audit — Index	Page No.
14A.11	Investments — policy / treasury SoD / reconciliation / documents / physical verification / confirmations	14A.11
14A.11–14A.12	Investments — HTM / HFT / AFS classification & shifting / valuation / NPI / income / sale	14A.11–14A.12
14A.12	Investment activities — fiduciary dealings / PMS / certificates / half-yearly review / concurrent treasury audit	14A.12
14A.12–14A.13	Advances — classification / audit objectives / appraisal / sanction / documentation / security / end use / RBI norms	14A.12–14A.13
14A.13	Advances — CBS master data / large advances / SMA / restructured & quick-mortality accounts / recoverability	14A.13
14A.14	NPA verification — CBS classification / provisioning / secured–unsecured split / near-year-end regularisation	14A.14
14A.14	Drawing power — stock & debtor deductions / consortium / construction WIP / stock audit / temporary deficiencies	14A.14
14A.15	NPA special cases — 180-day review / government guarantees / agricultural advances	14A.15
14A.15–14A.16	Restructuring / NPA upgradation / sale–purchase of NPAs — conditions / provisioning / accounting	14A.15–14A.16
14A.16	Fixed assets — ownership / existence / valuation / Section 9 / premises / title deeds / leasehold assets	14A.16
14A.17	Fixed assets — construction / revaluation / physical verification / depreciation / sale / lease / impairment	14A.17
14A.17–14A.18	Other assets — inter-office adjustments / accrued interest / TDS / stationery & stamps	14A.17–14A.18
14A.18	Non-banking assets & miscellaneous assets — Section 9 / staff & official advances / deposits / suspense / prepaids / government dues	14A.18
14A.19	Capital / Basel III — stress testing / Tier I & II / CRAR / risk-weighted assets	14A.19
14A.19–14A.20	Reserves & surplus — statutory reserve / reserve fund / share premium / overseas branches	14A.19–14A.20
14A.20–14A.21	Deposits — CASA / term deposits / FCNR / NRE / NRO / KYC / interest / inoperative accounts	14A.20–14A.21
14A.21	Deposits — repatriability / window dressing / accrued interest / AML controls	14A.21
14A.21	Borrowings — India & overseas / secured disclosure / confirmations / rediscount vs refinance / call money	14A.21
14A.21–14A.22	Other liabilities — bills payable / inter-office adjustments / accrued interest / provisions	14A.21–14A.22
14A.22	Contingent liabilities — categories / off-balance-sheet controls / WR / AS 29 / Section 20	14A.22
14A.23	Contingent liabilities — LC / guarantees / derivatives / claims / letters of comfort / completeness & valuation	14A.23
14A.24	Bills for collection — register / subsequent collection / customer credit / commission / SWIFT–CBS risk	14A.24
14A.24	Nationalised bank auditor's report — CG reporting requirements / branch returns / transactions / true & fair view	14A.24
14A.25	Audit report — SA 700 series / unaudited branches / Section 143 & Rule 11 / CARO exemption	14A.25
14A.25	Rule 11 reporting — litigation / foreseeable losses / IEPF / ultimate beneficiaries / dividend / audit trail	14A.25
14A.25–14A.26	LFAR — SCA & SBA / branch questionnaire / consolidation / ACB review / RBI submission within 60 days	14A.25–14A.26
14A.26	Fraud & regulatory reporting — confidentiality override / Section 143(12) / RBI & bank management reporting	14A.26
14A.26	SCA reports & certificates — ICFR / SLR / treasury / investments / IRACP / CRAR / committees / ALM / subsidies	14A.26
14A.27	Concurrent audit — meaning / scope / early-warning system / branch & risk coverage	14A.27

Page No.	Chapter 14A: Bank Audit — Index	Page No.
14A.27–14A.28	Concurrent audit coverage — cash / deposits / advances / investments	14A.27–14A.28
14A.28–14A.29	Concurrent audit coverage — foreign exchange / Nostro–Vostro / housekeeping / revenue leakage / government business	14A.28–14A.29
14A.29	Concurrent auditors — appointment / independence / 5-year & 3-year tenure / remuneration	14A.29
14A.29	Concurrent audit reporting — deficiencies / quarterly ACB review / fraud reporting / rectification & follow-up	14A.29
14A.29	ACB — total audit oversight / internal audit / concurrent & statutory auditors	14A.29

Chapter 14B — NBFC Audit

Page No.	Chapter 14B: NBFC Audit — Index	Page No.
14B.1	NBFC — definition / principal business / 50–50 financial assets & income test	14B.1
14B.1	NBFC registration — CoR / NOF requirements / phased limits / RBI prudential directions	14B.1
14B.2	NBFC types — deposit / non-deposit / systemic importance / activity-based categories / RNBC	14B.2
14B.2	RBI registration exemptions — dual regulation / CIC asset & public-fund conditions	14B.2
14B.3	Scale-Based Regulation — Base / Middle / Upper / Top Layers / thresholds	14B.3
14B.3	NBFC activity categorisation — layer placement / NBFC-ND, ND-SI & D references	14B.3
14B.4	Banks vs NBFCs — demand deposits / payment system / cheques / DICGC / priority sector	14B.4
14B.4	Capital adequacy — 15% capital ratio / Tier 1 limits / Tier 1 & Tier 2 components	14B.4
14B.5	Risk-weighted assets — on-balance-sheet items / risk weights / sovereign exposures	14B.5
14B.6	NPA income recognition — cash basis / unrealised income reversal / borrower-wise classification	14B.6
14B.6	Asset classification — standard / sub-standard / NPA glide path to 90 days / restructuring	14B.6
14B.7	Doubtful & loss assets — BL vs ML periods / security erosion / fraud / non-recoverability	14B.7
14B.7	NBFC provisioning — standard / sub-standard / doubtful D1–D3 / loss / secured–unsecured portions	14B.7
14B.7	NBFC audit planning — principal business / classification / IC / recovery & advance monitoring	14B.7
14B.8	Registration & public deposits — CoR / NOF / liquid assets / quarterly returns / credit rating	14B.8
14B.8	Public deposits — downgrade regularisation / interest & brokerage / application / register / custody / returns	14B.8
14B.8	NBFC prudential norms — income / investments / asset classification / provisioning / capital / concentration limits	14B.8
14B.9	NBFC frauds — classification / intention test / deemed cash-shortage fraud / overseas branch reporting	14B.9
14B.9	NBFC investment audit — existence / income / valuation / market price / group investments / depository confirmations	14B.9
14B.9	Securities lending & advances — intermediary confirmation / sanction / security / borrower net worth	14B.9
14B.10	NBFC advances — confirmations / bills discounted / exposure limits / appraisal / NPA classification & provisioning	14B.10
14B.10	NBFC auditor's duty — Section 45MA / deposit returns / RBI, Board & shareholder reporting	14B.10
14B.10–14B.11	Additional Board report — CoR / principal business criteria / continued eligibility / NOF	14B.10–14B.11
14B.11	SAC — NBFC status & CoR eligibility / five working days / 31 December deadline	14B.11
14B.11–14B.12	Deposit-taking NBFC report — deposit limits / rating / CRAR / default / prudential norms / liquid assets / returns	14B.11–14B.12
14B.12	Non-deposit-taking NBFC report — Board resolution / prudential norms / NBS-7 / CRAR / MFI classification	14B.12

Page No.	Chapter 14B: NBFC Audit — Index	Page No.
14B.12	RBI-advised CoR exemption / qualified Board report / RBI exception report — conditions / reasons / contraventions	14B.12
14B.13	CARO 2020 for NBFCs — loans / guarantees / security / investments / NBFC–HFC–CIC clauses	14B.13
14B.13	Ind AS applicability to NBFCs — listing / net-worth thresholds / group entities	14B.13
14B.13	NBFC Ind AS FS — Schedule III Division III / liquidity order / 1% disclosures / receivables / OCI / reserves	14B.13

Chapter 15 — PSU Audit

Page No.	Chapter 15: PSU Audit — Index	Page No.
15.1	PSU — ownership / objectives / utilities / organisational categories	15.1
15.1	C&AG constitutional framework — Articles 148 & 149 / appointment / removal / duties & powers	15.1
15.2	C&AG — Articles 150 & 151 / tenure / form of accounts / submission of audit reports	15.2
15.2	Government company audit — CA appointment / C&AG directions, comments, supplementary & test audit	15.2
15.2	Audit Boards & legislative oversight — comprehensive audit / experts / PAC–EC–COPU referral	15.2
15.2–15.3	Financial Committees — PAC / Estimates Committee / COPU functions	15.2–15.3
15.3	C&AG & Financial Committees — reports / scrutiny / recommendations / Action Taken Reports	15.3
15.4	PSU audit scope — financial / compliance / performance / propriety / comprehensive audit	15.4
15.4	Management decisions — authority / alternatives / public interest / efficiency / fiscal & managerial accountability	15.4
15.5	PSU audit elements — auditor / responsible party / intended users / subject matter / criteria	15.5
15.5	PSU engagements — attestation vs direct reporting / financial, compliance & performance audits	15.5
15.5	PSU audit principles — ethics / independence / judgment / materiality / quality / risk / planning / reporting & follow-up	15.5
15.6	Financial audit — opinion / applicable FRF / fair presentation / true & fair view	15.6
15.6	Compliance audit — regularity / propriety / standalone or combined audit	15.6
15.6	Compliance audit process — planning / criteria / IC / risk / evidence / conclusions / reporting & follow-up	15.6
15.7	Performance audit — meaning / public accountability / value for money / economy–efficiency–effectiveness	15.7
15.7–15.8	Economy / efficiency / effectiveness — cost / input-output / intended vs actual impact / audit considerations	15.7–15.8
15.8	Performance audit cycle — strategic planning / individual audit / fieldwork / reporting / follow-up & impact	15.8
15.9	Performance audit objectives — accountability / transparency / measurable outputs & indicators / focus areas	15.9
15.9–15.10	Performance audit planning — entity understanding / objectives / scope / criteria / approach / questions / experts / ADM	15.9–15.10
15.10	Performance audit methods — procedure analysis / case studies / existing data / surveys / result & quantitative analysis	15.10
15.10–15.11	ADM / resources / PSU intimation — evidence / data methods / timetable / team / scope / schedule	15.10–15.11
15.11	Performance audit refinements — flexible programme / approval / multi-location knowledge sharing	15.11
15.11	Comprehensive audit — efficiency-cum-performance appraisal / combined audit / areas of weakness	15.11
15.12	Comprehensive audit issues — project cost / capacity / return / controls / procurement / R&D / maintenance / criteria	15.12
15.12	Propriety audit — public interest / prudence / economy / wasteful, avoidable & infructuous expenditure	15.12

Page No.	Chapter 15: PSU Audit — Index	Page No.
15.13	Propriety principles & functions — official benefit / private benefit / planning / optimum results / alternative action	15.13
15.13	Propriety audit problems — subjectivity / C&AG norms / circumstances / objective judgment	15.13
15.13	C&AG audit report — presentation parts / comprehensive appraisal / auditor reports / significant findings	15.13
15.13	State commercial audit report — PSU results / performance audit / irregularities / waste / system deficiencies	15.13

Chapter 16 — Internal Audit

Page No.	Chapter 16: Internal Audit — Index	Page No.
16.1	Internal Audit — meaning / independent assurance / IC / risk management / governance	16.1
16.1	IASB & SIAs — objectives / guidance / research / knowledge dissemination	16.1
16.1	Internal Audit scope — financial & operating information / controls / compliance / risk / governance	16.1
16.2	Section 138 — mandatory Internal Audit / listed, public & private company thresholds / eligibility	16.2
16.2	SIA 210 — IAF plan / assignments / resources / experts / stakeholders / quality improvement	16.2
16.2–16.3	Internal Auditor responsibilities — IC / safeguards / independence / no executive functions / advisory role	16.2–16.3
16.3	Internal Audit scope & plan — AC/BOD consultation / periodicity / methodology / risk–value–effort balance	16.3
16.3	Internal Audit review areas — controls / assets / compliance / information / structure / resources / objectives	16.3
16.3–16.4	IC review — design / efficiency / effectiveness / in-built controls / limitations / reliance period	16.3–16.4
16.4	Asset safeguarding — existence / SoD / physical & intangible assets / EDP controls	16.4
16.4	Compliance & information review — policies / remedial action / reliability / exception reporting / AMIS	16.4
16.5	Organisation structure — responsibility / authority / span of control / unity of command / SoD	16.5
16.5	Resource utilisation & objectives — operating standards / variances / idle resources / quantifiable goals / budgets	16.5
16.5	Internal Auditor independence — structure / CIA reporting / authority / mind & appearance	16.5
16.6	Integrity & objectivity — honesty / conflicts / bias / prior responsibility / direct TCWG reporting	16.6
16.6	Internal Auditor qualities — controls / finance / operations / law / IT–ERP / management / confidentiality	16.6
16.6	Internal Audit engagement — business understanding / planning / information / checks / reporting	16.6
16.7	Audit planning & information — SIA 310 / approved scope / opening meeting / risk evaluation / source integrity	16.7
16.7	Audit checks — analytical procedures / sampling / evidence / review / supervision / documentation	16.7
16.7	Internal Audit issues — draft report / gaps / recommendations / Management Action Plan / final AC reporting	16.7
16.8	SIA 370 reports — specific assignment vs periodic report / recipients / scope	16.8
16.8	Internal Audit Report — objectives / approach / SIA compliance / executive summary / corrective action / assurance	16.8
16.9	Internal Audit Report — evidence basis / findings / format / issue rating / root cause / action plan / documentation	16.9
16.9–16.10	SIA 390 follow-up — prior issues / corrective actions / open matters / CIA & management responsibility	16.9–16.10
16.10	Internal vs External Audit — overlap / differences / IAF evaluation / reduced external procedures	16.10
16.10–16.11	SA 610 direct assistance — objectivity / competence / scope / review / agreements / documentation	16.10–16.11
16.11	Internal Audit as management function — controlling / risk mitigation / root cause / control improvement	16.11
16.11	Audit Trail / Edit Log — source tracing / chronological changes / timestamp / user ID / transaction reference	16.11

Page No.	Chapter 16: Internal Audit — Index	Page No.
16.12	Audit Trail controls — continuous operation / unique IDs / authorised configuration / restricted access / backups	16.12

Chapter 17 — DDI & Forensic Accounting

Page No.	Chapter 17: DDI & Forensic Accounting — Index	Page No.
17.1	Due Diligence — meaning / applications / risk-based OECD approach / DD vs Audit	17.1
17.1	Due Diligence importance — business confirmation / deal killers / valuation / price negotiation	17.1
17.2	Due Diligence types — financial / personnel / commercial / legal / IT / tax / environmental	17.2
17.2	Financial DD — meaning / timing / objectives / past–present–future / key coverage areas	17.2
17.3	Target business & promoters — history / products / markets / suppliers / employees / regulation / IT	17.3
17.3	Accounting policies & FS review — changes / acquirer differences / FRF deviations / earnings valuation	17.3
17.3–17.4	Business valuation — normal operating profit / benchmarking / net worth / expert valuation	17.3–17.4
17.4	Financial DD red flags — hidden liabilities / contingent claims / overvalued & impaired assets	17.4
17.4–17.5	Tax & cash-flow DD — tax exposure / commitments / working capital / investments / funding	17.4–17.5
17.5	Financial projections — five-year scenarios / assumptions / achievability / arithmetical accuracy	17.5
17.5	Management & employees — excess workforce / benefits / litigation / key personnel / compensation	17.5
17.5	Statutory compliance — applicable-laws checklist / punitive charges / financial impact	17.5
17.6	Due Diligence approach — financial review / site visit / acquirer coordination / offer preparation	17.6
17.6	Conducting DD & report — multidisciplinary team / external enquiries / risk approach / report contents / indemnities	17.6
17.7	Investigation vs Audit — objective / scope / period / evidence / limitations / reporting	17.7
17.7	Investigation planning — written objectives & scope / flexible programme / relevant areas / ghost workers	17.7
17.8	Investigation evidence & analysis — corroboration / experts / objective interpretation / reasoned conclusions	17.8
17.8	Investigation Report — relevance / evidence linkage / assumptions / scope / limitations / final opinion	17.8
17.9	Investigation special issues — 100% vs selective verification / reliance on audited FS	17.9
17.9	Investigator — experts / disputes / bias / fact-based opinion / futuristic statements	17.9
17.10	Investigation working papers — retention / linkage / representation letter / court support	17.10
17.10	Business investigation — overall picture / group relationships / management / market / capital / capacity	17.10
17.10	P&L investigation — 5–7-year comparison / inventory / ratios / turnover / fictitious sales	17.10
17.11	P&L adjustments — wages / depreciation / maintenance / remuneration / exceptional items / unusual years	17.11
17.12	Balance Sheet investigation — fixed assets / title / revaluation / impairment / maintenance	17.12
17.12	Investments & inventory — classification / valuation / ageing / third-party stock / WIP	17.12
17.12	Receivables & liquid/idle assets — PBDD / credit policy / ageing / ratios / net-worth adjustment	17.12
17.13	Liabilities / tax / capital — suppression / ageing / reassessment / gearing / transfer restrictions	17.13
17.13	Future maintainable figures — fixed assets / turnover / working capital	17.13
17.14	Future Maintainable Profit — abnormal-item adjustments / EBIT / return trend / investment decision	17.14
17.14	Investigations — statutory vs non-statutory / Sections 210, 212, 213 & 216 / major types	17.14
17.14–17.15	Incoming partner investigation — deed / profitability / assets / liabilities / clientele / finance / goodwill	17.14–17.15
17.15–17.16	Private-company share valuation — net-worth vs yield basis / preference shares / transfer restrictions	17.15–17.16
17.16	Share valuation factors — asset revaluation / goodwill / super-profit / dividends / capitalisation rate	17.16
17.16	Bank/FI loan investigation — purpose / repayment / security / integrity / authority / external factors	17.16
17.17	Loan investigation — five-year profits / ratios / product sales / asset–liability schedules	17.17
17.17	Loan security verification — fixed assets / inventory / receivables / investments / borrowings	17.17
17.18	Loan investigation — tax / liabilities / insurance / contingent liabilities	17.18

Page No.	Chapter 17: DDI & Forensic Accounting — Index	Page No.
17.18	Fraud — Sections 143(10) & 447 / corruption / entries / sales / expenses / payroll / data / banking frauds	17.18
17.19	Asset misappropriation — cash / inventory / billing / payroll / cheque / lapping / skimming / kite flying	17.19
17.19	Financial Statement Fraud — timing / fictitious revenue / concealed liabilities / valuation / disclosures	17.19
17.20	Corporate & operational frauds — bribery / advance billing / shell companies / money laundering / off-book fraud	17.20
17.20	Cash & payroll fraud — larceny / teeming and lading / false disbursements / reimbursements / ghost employees	17.20
17.21	Cash fraud investigation — collection manipulation / skimming / receipts / bank entries / inflated payments	17.21
17.22	Purchase & sales fraud — supplier invoices / credit notes / 3-way matching / rebates / customer confirmations	17.22
17.22–17.23	Inventory fraud investigation — pilferage / manipulated records / physical count / SoD / movement controls	17.22–17.23
17.23	Fraud indicators & Fraud Diamond — records / evidence / management responses / pressure–opportunity–rationalisation–capability	17.23
17.23–17.24	Fraud response — SA 330 / management override / journal entries / estimates / unusual transactions / communication	17.23–17.24
17.24	Business purchase investigation — sale reasons / lease / patents / staff / customers / goodwill / share rights & charges	17.24
17.24	Profit & financial forecasts — acquisitions / loan appraisal / inherent uncertainty / special review	17.24
17.25	Forensic Accounting — meaning / legal evidence / red flags / Forensic Accounting vs Statutory Audit	17.25
17.26	Forensic Accountant — competence / fraud & legal knowledge / services / detection / prevention / testimony / IT	17.26
17.26	Forensic Accounting process — initiation / conflict check / preliminary investigation / plan	17.26
17.27	Forensic evidence — fraudster / scheme / loss / chain of custody / admissibility / falsification risks	17.27
17.27	Forensic analysis & reporting — damages / asset tracing / sensitivity / findings / controls / court proceedings	17.27
17.27–17.28	FAIS 510 Report — written report / stakeholders / key elements / evidence / expert / FAIS compliance	17.27–17.28
17.28	FAIS 510 — draft discussion / natural justice / assumptions / limitations / no guilt opinion / timelines	17.28
17.29	FAIS Framework — objectives / principles / key concepts / mandatory standards / guidance / judgment	17.29
17.29	FAIS series — engagement / execution / evidence / interviews / data analysis / digital evidence / reporting / quality	17.29

Chapter 18 — SDG & ESG Assurance

Page No.	Chapter 18: SDG & ESG Assurance — Index	Page No.
18.1	Sustainable Development — Brundtland definition / present & future generations	18.1
18.1–18.2	ESG pillars — environmental / social / governance elements & opportunities	18.1–18.2
18.2	ESG reporting — qualitative policies / quantitative KPIs / mixed approach	18.2
18.2	SDGs — UNDESA / 2030 Agenda / 17 Sustainable Development Goals	18.2
18.2–18.3	Sustainability reporting — mandatory trends / GRI framework / stakeholder reporting	18.2–18.3
18.3	Global ESG frameworks — GRI / CDP / IIRC / comprehensive corporate reporting collaboration	18.3
18.3	ISSB — global sustainability baseline / investor needs / general & climate disclosures	18.3
18.3–18.4	Climate reporting frameworks — TCFD / CDSB / SASB–IIRC Value Reporting Foundation	18.3–18.4
18.4	Integrated Reporting — six capitals: financial / manufactured / natural / human / social / intellectual	18.4
18.5	USA ESG reporting — SEC climate-risk disclosures / financial impact / scenarios / transition plans	18.5
18.5	UK ESG reporting — net zero / TCFD / Companies Act / SECR / SDR / climate KPIs	18.5

Page No.	Chapter 18: SDG & ESG Assurance — Index	Page No.
18.5	Global sustainability timeline — SFDR / CSRD / ISSB / ESRS / corporate DD / China guidance	18.5
18.6	ESG evolution in India — MCA guidelines / NVG–NGRBC / CSR / BRR / Integrated Reporting / BRSR	18.6
18.6	ICAI sustainability initiatives — SRSB / SAE 3410 / BRSR guidance / SDG publications / SRMM	18.6
18.7	BRSR — mandatory applicability / Sections A, B & C / Essential vs Leadership Indicators	18.7
18.7	BRSR principles — ESG categorisation / nine NGRBC principles / interlinkage	18.7
18.7	BRSR P1 — ethics / transparency / accountability / governance PPP / value chain	18.7
18.8	BRSR P2 & P3 — sustainable products / resource use / employee dignity, safety & well-being	18.8
18.8	BRSR P4 & P5 — stakeholder inclusion / equitable treatment / human rights	18.8
18.8	BRSR P6 — environmental protection / life-cycle impact / pollution / resources / climate resilience	18.8
18.9	BRSR P7 & P8 — responsible policy advocacy / inclusive growth / displacement / CSR / equitable benefits	18.9
18.9	BRSR P9 — consumer value / privacy / disclosure / responsible marketing / grievance redressal	18.9
18.9	BRSR–SDG alignment — nine principles mapped to 17 SDGs	18.9
18.10	BRSR assurance / ESG Audit — environmental & social risk / supply chain / transparency	18.10
18.10	SSAE 3000 — reasonable or limited assurance / sustainability information / effective dates	18.10
18.10	SSAE 3410 & BRSR assurance methodology — GHG statements / review / verification / reporting	18.10
18.10–18.11	Social Audit Standards — impact assessment / minimum procedures / SAS 100–1600 areas	18.10–18.11
18.11	Climate-related risks in FS audit — entity understanding / vulnerable sectors / stakeholder expectations	18.11
18.11	Climate matters in Auditor's Report — applicable SAs / EMP / FRF disclosures / SA 720 Other Information	18.11
18.11	ESG Assurance — reporting harmonisation / global standards gap / growing assurance demand	18.11

Chapter 19 — Professional Ethics

Page No.	Chapter 19: Professional Ethics — Index	Page No.
19.1	Code of Ethics — public interest / structure / Parts 1–4 / independence standards	19.1
19.2	Fundamental principles — integrity / objectivity / competence & due care	19.2
19.2–19.3	Confidentiality — duties / prospective clients / post-engagement obligations / permitted disclosure	19.2–19.3
19.3	Professional behaviour — laws / disrepute / exaggerated claims / ethical conflicts	19.3
19.3	Ethical threats — self-interest / self-review / advocacy / familiarity / intimidation	19.3
19.4	Ethical threats — examples for CA in practice and CA in service	19.4
19.5	Threat evaluation — acceptable level / reasonable & informed third-party test	19.5
19.5	Threat safeguards — eliminate circumstances / outside review / separate teams / decline engagement	19.5
19.5–19.6	NOCLAR — meaning / scope / persons covered / exclusions / examples / objective	19.5–19.6
19.6	NOCLAR applicability — senior CA in service / listed entities / audit client ₹250 crore net worth	19.6
19.6	NOCLAR vs SA 250 — applicability / stakeholders / substantial harm / authority disclosure	19.6
19.7	NOCLAR response — understanding / escalation / advice / further action / authority / imminent breach	19.7
19.7	NOCLAR confidentiality & documentation — management response / judgments / public interest	19.7
19.8	ICAI membership — Register / Section 8 disabilities / ACA–FCA requirements	19.8
19.8–19.9	Removal & restoration of membership — Sections 20 / Regulation 19 / effective dates	19.8–19.9
19.9	False claim of membership or practice — Section 24 / penalties / Prem Batra case	19.9
19.10	COP — Section 6 / annual fee / cancellation / surrender / restoration	19.10
19.10–19.11	Deemed practice — accountancy / audit / certification / advisory services / salaried CA	19.10–19.11
19.11–19.12	MCOS — inclusions / exclusions / finance / systems / valuation / public issue / EDP	19.11–19.12
19.12	MCOS — prohibited broking–underwriting–portfolio management / permitted specialised services	19.12
19.12	Section 144 — prohibited non-audit services to company / holding / subsidiary	19.12
19.12–19.13	Companies practising accountancy — Section 25 prohibition / LLP with company partner / penalties	19.12–19.13

Page No.	Chapter 19: Professional Ethics — Index	Page No.
19.13	CA designation — Section 7 / recognised qualifications / prohibited descriptions / CS–CMA practice	19.13
19.13–19.14	Branch offices — Section 27 / separate in-charge / 182-day test / 50-km exemption / hill-area office	19.13–19.14
19.14	KYC for attest functions — individual / corporate / non-corporate client information	19.14
19.15	CA in service — meaning / executive and non-executive employment	19.15
19.15	Disciplinary procedure — complaint / prima facie opinion / Board / Committee / penalties / appeal	19.15
19.16	Professional vs Other Misconduct — individual, partner & firm liability / personal conduct	19.16
19.16–19.17	First vs Second Schedule — Parts / clause structure / disciplinary authority	19.16–19.17
19.17	First Schedule Part I Clause 1 — surrogate practice / permitted partner or employee	19.17
19.17–19.18	Clause 2 — fee or profit sharing / permitted persons / prescribed bodies & qualifications	19.17–19.18
19.18	Goodwill of CA practice — deceased partner or proprietor / sale / legal representative / timelines	19.18
19.18–19.19	Clauses 3 & 4 — accepting profit share / partnership with non-CA / multidisciplinary practice	19.18–19.19
19.19	Clause 5 — securing professional work through wrongful means / canvassing / roving enquiries	19.19
19.19–19.20	Clause 6 — advertisement & solicitation / CA referrals / tenders & enquiries	19.19–19.20
19.20	Advertisement exceptions — partnership changes / ICAI classifieds / empanelment / tender restrictions	19.20
19.20–19.21	Publicity restrictions — coaching / books / greetings / celebrations / sponsorship / firm profile	19.20–19.21
19.21–19.22	Solicitation — emails / public interviews / press advertisements / educational videos / Section 140 representation	19.21–19.22
19.22	Clause 7 — professional attainments / other designations / permitted write-up	19.22
19.22	Designations — IP / Registered Valuer / foreign qualifications / advocate / CS–CMA / no CPA	19.22
19.23	Electronic media & publications — objective content / articles / seminars / signboards / director publicity	19.23
19.24	Logos — firm-name connection / advertisement restriction	19.24
19.24	Clause 8 — communication with previous auditor / rationale / professional reasons for refusal	19.24
19.25	Previous auditor communication — positive delivery / RPAD / email / UDIN / locked or missing office	19.25
19.25	Clause 8 scope — all audits / Government audits / conditional acceptance / reasonable waiting period	19.25
19.25	Clause 9 — legal compliance in auditor appointment / Sections 139–141	19.25
19.26	Auditor change — Section 140 notice / representation / circulation / hearing / vacancy	19.26
19.26	Incoming auditor verification — first auditor / casual vacancy / removal / records / GM minutes	19.26
19.27	Unjustified removal — outgoing communication / representation / incoming auditor & ESB duties	19.27
19.27	Clause 10 — percentage or contingent fees / Regulation 192 exceptions	19.27
19.28	Clause 11 — other business or occupation / Regulation 190A & 191	19.28
19.28–19.29	Other occupation — general vs specific permission / employment / teaching / offices / valuation	19.28–19.29
19.29	Substantial interest — relative / 20% voting power or profit / MD–WTD restrictions	19.29
19.29	Director Simplicitor / promoter — general permission / auditor conflict / holding–subsidiary independence	19.29
19.30	Family business & teaching — inheritance / no active management / 25-hour limit	19.30
19.30–19.31	Clause 12 — delegation of signing authority / reports & FS / permitted routine documents	19.30–19.31
