Concept	Chapter	Page
5S System	Lean System and Innovation	3.21
6 R's Model	Management of Cost Strategically for Emerging Business Models	5.7
ABC Analysis	Strategic Profit Management	7.38
Activity Based Budgeting (ABB)	Strategic Profit Management	7.25
Activity Based Costing (ABC)	Strategic Profit Management	7.16
Activity Based Cost Management (ABM)	Strategic Profit Management	7.17
Activity Based CVP Analysis	Strategic Revenue Management	6.4
Activity Flexible Budgeting	Strategic Profit Management	7.29
Agile Organisation	Management of Cost Strategically for Emerging Business Models	5.19
Altman Z Score	An Introduction to Strategic Performance Management	8.34
Argenti's A Score	An Introduction to Strategic Performance Management	8.39
Artificial Intelligence (AI)	Management of Cost Strategically for Emerging Business Models	5.5
Augmented Reality (AR)	Management of Cost Strategically for Emerging Business Models	5.8
Autonomous Vehicles	Management of Cost Strategically for Emerging Business Models	5.7
Balanced Scorecard	Strategic Performance Measures in Private Sector	9.21
Benchmarking	Strategic Profit Management	7.26
Blockchain / Distributed Ledger Technology	Management of Cost Strategically for Emerging Business Models	5.9
Business Ecosystems	Management of Cost Strategically for Emerging Business Models	5.9
Business Model Canvas	An Introduction to Strategic Cost Management	1.25
Business Process Re-engineering (BPR)	Lean System and Innovation	3.45
Building Block Model	Strategic Performance Measures in Private Sector	9.33
Cellular Manufacturing	Lean System and Innovation	3.33
Cloud Computing	Management of Cost Strategically for Emerging Business Models	5.6
Competitive Advantage	An Introduction to Strategic Cost Management	1.19
Cost Driver Analysis	An Introduction to Strategic Cost Management	1.16
Cost of Quality (COQ)	Modern Business Environment	2.3
Cost Reduction	Specialist Cost Management Techniques	4.3
Cost-Based Pricing	Strategic Revenue Management	6.47
Cost-Plus Pricing	Strategic Revenue Management	6.47
Customer Account Profitability (CAP)	Modern Business Environment	2.24
Customer Lifetime Value (CLV)	Modern Business Environment	2.25
Customer Profitability Analysis	Strategic Profit Management	7.13
Customer Relationship Management (CRM)	Modern Business Environment	2.24
Customer Value Proposition Canvas	An Introduction to Strategic Cost Management	1.29
CVP Analysis	Strategic Revenue Management	6.3
Decision Making Model	Strategic Revenue Management	6.17
Denison Organizational Culture Survey (DOCS)	An Introduction to Strategic Cost Management	1.13
Digital Platform Model	Management of Cost Strategically for Emerging Business Models	5.31
Digital Twin	Management of Cost Strategically for Emerging Business Models	5.8
DMAIC	Lean System and Innovation	3.38
DMADV	Lean System and Innovation	3.42
Downsizing	Modern Business Environment	2.34
Economic Value Added (EVA)	Strategic Performance Measures in Private Sector	9.15
Environmental Management Accounting (EMA)	Specialist Cost Management Techniques	4.37
ESG Reporting	Preparation of Performance Reports	11.7
Five Forces Model	An Introduction to Strategic Cost Management	1.34
Five Whys	Management of Cost Strategically for Emerging Business Models	5.18
Freemium Model	Management of Cost Strategically for Emerging Business Models	5.31

Concept	Chapter	Page
Gain Sharing	Modern Business Environment	2.32
Global Reporting Initiative (GRI)	Preparation of Performance Reports	11.7
H Score Model	An Introduction to Strategic Performance Management	8.39
Hypercompetition	Management of Cost Strategically for Emerging Business Models	5.12
Iceberg Model of Cost of Quality	Modern Business Environment	2.10
Intrapreneurship	Management of Cost Strategically for Emerging Business Models	5.24
Inventory Push-Pull Model	Modern Business Environment	2.17
Internet of Things (IoT)	Management of Cost Strategically for Emerging Business Models	5.4
Just-in-Time (JIT)	Lean System and Innovation	3.5
Kaizen Costing	Lean System and Innovation	3.16
Kanban System	Lean System and Innovation	3.8
Kano Model	Strategic Revenue Management	6.65
Key Performance Indicators (KPIs)	An Introduction to Strategic Cost Management	1.42
Key Success Factors / Critical Success Factors	An Introduction to Strategic Cost Management	1.41
Learning Curve	Standard Costing	13.9
Lean Management	Lean System and Innovation	3.3
Lean Six Sigma	Lean System and Innovation	3.44
Lean Start-up	Management of Cost Strategically for Emerging Business Models	5.17
Life Cycle Costing	Specialist Cost Management Techniques	4.22
Life Cycle Pricing	Strategic Revenue Management	6.53
Machine Learning	Management of Cost Strategically for Emerging Business Models	5.6
Make-or-Buy Decision	Strategic Revenue Management	6.19
Management by Wandering Around (MBWA)	An Introduction to Strategic Cost Management	1.55
Market-Based Transfer Pricing	Divisional Transfer Pricing	12.6
Market Segmentation	An Introduction to Strategic Cost Management	1.38
McKinsey's 7S Framework	An Introduction to Strategic Performance Management	8.13
MCE / Manufacturing Cycle Efficiency	Strategic Profit Management	7.23
Mendelow's Matrix	An Introduction to Strategic Cost Management	1.14
Minimum Pricing	Strategic Revenue Management	6.24
Monopoly Pricing	Strategic Revenue Management	6.39
NPV	Strategic Performance Measures in Private Sector	9.18
OEE / Overall Equipment Effectiveness	Lean System and Innovation	3.30
Offshoring	Modern Business Environment	2.35
Oligopoly Pricing	Strategic Revenue Management	6.39
Open Innovation	Management of Cost Strategically for Emerging Business Models	5.35
Open Source Model	Management of Cost Strategically for Emerging Business Models	5.30
Optimised Production Technology (OPT)	Specialist Cost Management Techniques	4.32
Outsourcing	Modern Business Environment	2.35
Pareto Analysis	Strategic Profit Management	7.34
Performance Management System	An Introduction to Strategic Performance Management	8.3
Performance Pyramid	Strategic Performance Measures in Private Sector	9.29
Performance Measurement	Strategic Performance Measures in Private Sector	9.6
Planning and Operational Variances	Standard Costing	13.2
Porter Value Chain	An Introduction to Strategic Cost Management	1.6
Price Discrimination	Strategic Revenue Management	6.64
Price Skimming	Strategic Revenue Management	6.45
Pricing Strategy	Strategic Revenue Management	6.61
Product Life Cycle	Specialist Cost Management Techniques	4.22
Product Mix Decision	Strategic Revenue Management	6.30
Product-Service Systems (PSS)	Management of Cost Strategically for Emerging Business Models	5.35

Concept	Chapter	Page
Production Flow Analysis	Lean System and Innovation	3.34
Project Organisation	An Introduction to Strategic Performance Management	8.19
Psychological Pricing	Strategic Revenue Management	6.51
Pull System	Lean System and Innovation	3.8
Quality Management System	Strategic Performance Measures in Private Sector	9.38
Relevant Costing	Strategic Revenue Management	6.13
Residual Income (RI)	Strategic Performance Measures in Private Sector	9.11
Responsibility Accounting	Preparation of Performance Reports	11.3
Return on Capital Employed (ROCE)	Strategic Performance Measures in Private Sector	9.8
Return on Investment (ROI)	Strategic Performance Measures in Private Sector	9.10
Robotics	Management of Cost Strategically for Emerging Business Models	5.5
Sell-or-Process-Further Decision	Strategic Revenue Management	6.22
Service Ecosystem Model	Management of Cost Strategically for Emerging Business Models	5.33
Service Pricing	Strategic Revenue Management	6.55
Seven Wastes of Lean	Lean System and Innovation	3.3
Six Sigma	Lean System and Innovation	3.37
Six Markets Model	Modern Business Environment	2.22
Special Order Decision	Strategic Revenue Management	6.27
Standard Costing	Standard Costing	13.1
Standard Cost-Based Transfer Pricing	Divisional Transfer Pricing	12.11
Strategic Cost Management	An Introduction to Strategic Cost Management	1.5
Strategic Profitability Analysis	Strategic Profit Management	7.2
Strategic Positioning	An Introduction to Strategic Cost Management	1.11
Strategic Revenue Management	Strategic Revenue Management	6.2
Subscription Model	Management of Cost Strategically for Emerging Business Models	5.31
Supply Chain Management	Modern Business Environment	2.16
Taffler and Tishaw Model	An Introduction to Strategic Performance Management	8.37
Target Costing	Specialist Cost Management Techniques	4.6
Theory of Constraints (TOC)	Specialist Cost Management Techniques	4.32
Throughput Accounting	Specialist Cost Management Techniques	4.34
Total Productive Maintenance (TPM)	Lean System and Innovation	3.28
Total Quality Management (TQM)	Modern Business Environment	2.11
Triple Bottom Line (TBL)	Strategic Performance Measures in Private Sector	9.35
Transfer Pricing	Divisional Transfer Pricing	12.2
Value Analysis / Value Engineering	Specialist Cost Management Techniques	4.16
Value-Based Pricing	Strategic Revenue Management	6.51
Value Chain Analysis	An Introduction to Strategic Cost Management	1.6
Value for Money (VFM) Framework	Strategic Performance Measures in the Non-for-Profit Organisations	10.5
Value Proposition Canvas	An Introduction to Strategic Cost Management	1.29
Value Shop Model	An Introduction to Strategic Cost Management	1.10
Variance Analysis	Standard Costing	13.2
Virtual Organisation	An Introduction to Strategic Performance Management	8.19
Withey and Lancaster Pricing Process	Strategic Revenue Management	6.43
ZETA Model	An Introduction to Strategic Performance Management	8.37
